# Motorized Driven Roller Conveyors

Motorized Driven Roller (MDR) conveyors are self-powered, zeropressure zoned, and require no stops—making them a game-changer in warehouse automation, packaging boxes and totes, tires, glass, batteries, and many other applications.

## Why Choose MDR?

Energy-efficient  
24V brushless DC  
motors with Run On  
Demand technology

Versatile speeds &  
weight capacities for  
diverse environments

Certified & Durable  
– CE Certified, RoHS  
compliant, IP54 rated

Customizable roller  
options: stainless steel,  
PVC, UHMWPE coatings,  
and Urethane sleeves

## 3-Year Warranty

AMC offers the industry-leading 3-year manufacturer warranty on all AMC-manufactured products.

Automation & Modular Components (AMC) has been manufacturing reliable, low-maintenance conveyor systems for over 30 years. Our dependable systems have helped companies in over 25 industries across six continents produce goods faster, with more consistency, and is why we maintain such a strong reputation for quality, service, and customer satisfaction.
